About this compilation

Prepared by Hydmaster from selected manufacturer documentation. Original technical pages follow without cropped drawings, rewritten data or altered units. This cover and index are Hydmaster editorial material, not a manufacturer-issued exact-execution datasheet.

Coverage: selected pages relevant to the identified size and configuration. Other options or neighbouring models retained on an original page apply only where explicitly identified.

Execution notes and conditions

Exact factory article NBTFPLG3/4 is printed on the unchanged OEM page and observed in an independent selected supplier manufacturer-number field. Supplier manufacturer brand is --; this confirms an observed catalogue designation and does not independently authenticate supplied units. Male-thread Nylon PA6 protective plug for a female port; not a female cap and not a pressure-retaining service plug. Original C andD are catalogue dimensions, not a claimed overall height. Supplier photograph is genuine but representative; no photo-derived dimensions, finish or unit-authenticity claims. Preserve the full relevant original page.
