

Oleodinamica Marchesini V0281 flangeable single-acting plough overturning valve - VRA 60/80 SE FL

Manufacturer: Oleodinamica Marchesini
Manufacturer part number / published order designation: V0281
Published model: V0281

About this compilation

Prepared by Hydmaster from selected manufacturer documentation. Original technical pages follow without cropped drawings, rewritten data or altered units. This cover and index are Hydmaster editorial material, not a manufacturer-issued exact-execution datasheet.

Coverage: selected pages relevant to the identified size and configuration. Other options or neighbouring models retained on an original page apply only where explicitly identified.

Execution notes and conditions

ExactOEM04.2017bulletin row/drawing and live named-brandoffer. Separatecurrentfactorydetailnotlocated; notdeclaredretired. Flow/mass/sealsomitted.

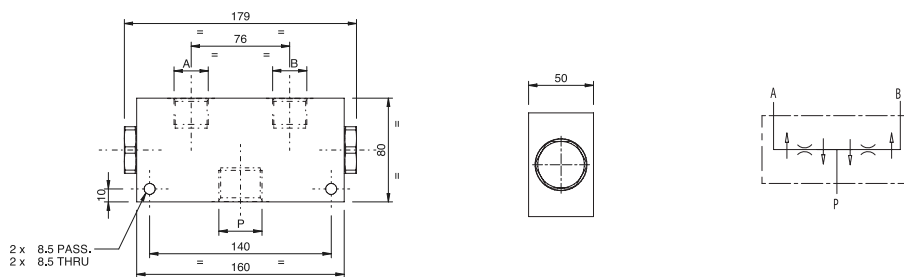

Source-page index

Source page numbers below are physical pages of each complete original PDF. The original printed page labels and technical content remain unchanged. Compiled page numbers count this cover/index.

Source A: Oleodinamica Marchesini VRA SE FL original execution reference
