

Naldoni e Biondi NBAFS0000025 fixed weld-on cylinder eye

Manufacturer: Naldoni e Biondi
Manufacturer part number / published order designation: NBAFS0000025
Published model: NBAFS0000025

About this compilation

Prepared by Hydmaster from selected manufacturer documentation. Original technical pages follow without cropped drawings, rewritten data or altered units. This cover and index are Hydmaster editorial material, not a manufacturer-issued exact-execution datasheet.

Coverage: selected pages relevant to the identified size and configuration. Other options or neighbouring models retained on an original page apply only where explicitly identified.

Execution notes and conditions

Offered article and retained2017 exact literal code: NBAFS0000025. Current2024 row code: NBAFS0000025. Identical listed dimensions/mass do not constitute a formal code-renaming or interchangeability statement.

Retained manufacturer original physical26/printed28 and current manufacturer physical49/printed48 are both relevant unchanged references.

Plain fixed terminal, not a ball-and-socket joint. No pressure/load/welding/lubrication specification inferred.

Supplier brand -- does not independently authenticate the unit. Genuine photograph is representative family imagery.

Source-page index

Source page numbers below are physical pages of each complete original PDF. The original printed page labels and technical content remain unchanged. Compiled page numbers count this cover/index.

Source A: Naldoni e Biondi retained2017 fixed-terminal exact article reference

Original pages	Compiled pages	Relevant content
26	2	Exact selected long-code row, original fixed-terminal drawing and material note

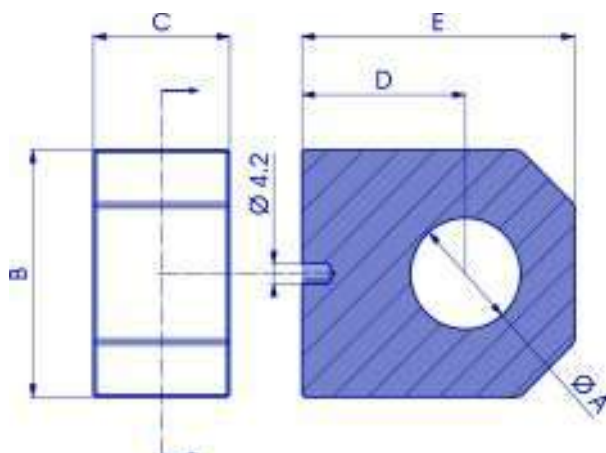

Source B: Naldoni e Biondi current2024 fixed-terminal shorter-code reference

Supplemental stage/component reference; not a complete assembly drawing.

Original pages	Compiled pages	Relevant content
49	3	Current row dimensional comparison and visible article-code discrepancy; no formal alias assertion
