About this compilation

Prepared by Hydmaster from selected manufacturer documentation. Original technical pages follow without cropped drawings, rewritten data or altered units. This cover and index are Hydmaster editorial material, not a manufacturer-issued exact-execution datasheet.

Coverage: selected pages relevant to the identified size and configuration. Other options or neighbouring models retained on an original page apply only where explicitly identified.

Execution notes and conditions

Original physical77/printed76 supplies the exact NBAFSI000020 row and NBAFSI family drawing.

Manufacturer minimum-batch flag; batch quantity unspecified.

Original drawing is not a photograph. No pressure/load/welding/corrosion-life rating inferred.

Source-page index

Source page numbers below are physical pages of each complete original PDF. The original printed page labels and technical content remain unchanged. Compiled page numbers count this cover/index.
