

Naldoni e Biondi NBSN35PF80-1 weld-on spherical cylinder end with end plug

Manufacturer: Naldoni e Biondi

Manufacturer part number / published order designation: NBSN35PF80-1

Published model: NBSN35PF80-1

About this compilation

Prepared by Hydmaster from selected manufacturer documentation. Original technical pages follow without cropped drawings, rewritten data or altered units. This cover and index are Hydmaster editorial material, not a manufacturer-issued exact-execution datasheet.

Coverage: selected pages relevant to the identified size and configuration. Other options or neighbouring models retained on an original page apply only where explicitly identified.

Execution notes and conditions

Complete literal article row on original physical119/printed118. Original complete page with insert/end-plug section and notes must be retained.

Supplier exact selected article and stock row agree; supplier brand is blank (--), so unit authenticity is not independently confirmed.

Genuine supplier photograph is representative family imagery, shared across dimensions.

Exact catalogue row marks minimum-batch-on-request. No delivery, pressure, welded assembly capacity, numerical load or bearing-insert steel grade inferred.

Source-page index

Source page numbers below are physical pages of each complete original PDF. The original printed page labels and technical content remain unchanged. Compiled page numbers count this cover/index.

Source A: Naldoni e Biondi SN-PF spherical cylinder ends with end plug

Original pages	Compiled pages	Relevant content
119	2	Complete relevant unchanged original page with exact article rows, section and source footnote

> **Materiale di produzione:** Acciaio S355

> **Production material:** Steel S355

> **CDA:** Carico dinamico ammesso

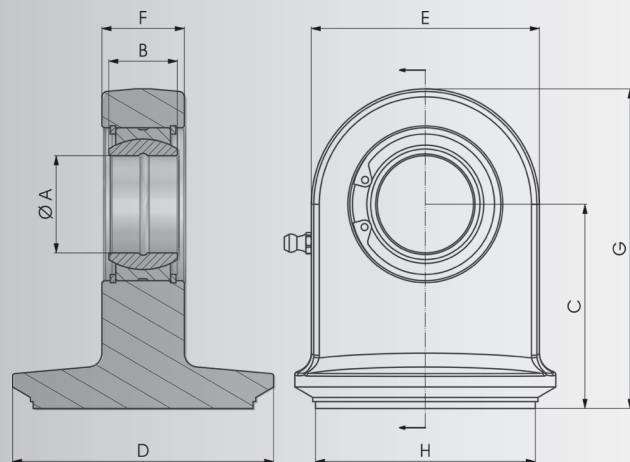

> **CDA:** Max. dynamic load

> **Tipo:** Lubrificabile

> **Type:** Lubricatable

> **Accoppiamento:** Acciaio su acciaio

> **Coupling:** Steel on steel
